It was an especially

to know you. I hope that

FACULTY

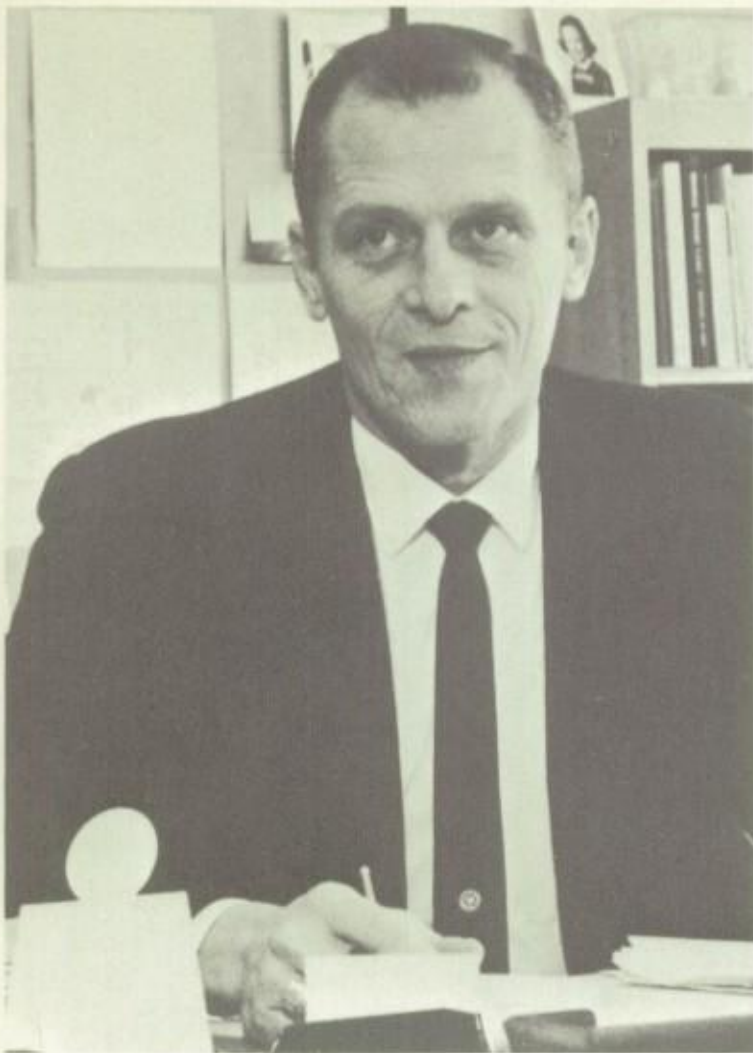

This year our faculty has been working very diligently on studies of the present curriculum to modernize many courses that were somewhat outdated. Due to their continued efforts, many new courses were offered this year and still more will be offered next year.

We are sorry to see four members of the faculty of Dearborn High retiring after many years of service to the school and the educational system. The teachers are Miss Yetieve Guldner, counselor; Mrs. Mildred Koch, language; Mr. Stephen Vanke, co-op coordinator, and Mr. Leith Wetzel, math. The students of Dearborn High extend their thanks to them along with wishes of good luck in the future.

Leonard Mazur
Principal

To the Class of 1969

Congratulations upon your graduation from Dearborn High School. Yours is an achievement of thirteen years duration. I sincerely hope that this time has provided meaningful learning experiences for you. I also hope that along the way there has been time for those lighter moments that will be remembered long after these pages turn yellow with age.

Please know that the Dearborn High School staff and administrators are always interested in each of you and your experiences in the future.

We have great hopes for you and trust your school has helped you to prepare adequately for the society in which you will live. Among our expectations of you is your ability of not only acquiring facts and figures, but also of making intelligent decisions based upon a logical process of thinking. Facts can be gathered from many sources. The "trick" is to discover how to use this information to reach meaningful conclusions.

We have attempted to help you develop self-discipline. For it is self-discipline which is the foundation upon which all educational experiences are built.

May the blessings of the Good Lord be yours. May you find life enjoyable, meaningful, and purposeful. May you know love, happiness, and friendship. This is my prayer for each member of the Class of 1969.

City Goes Wild After Tiger Victory

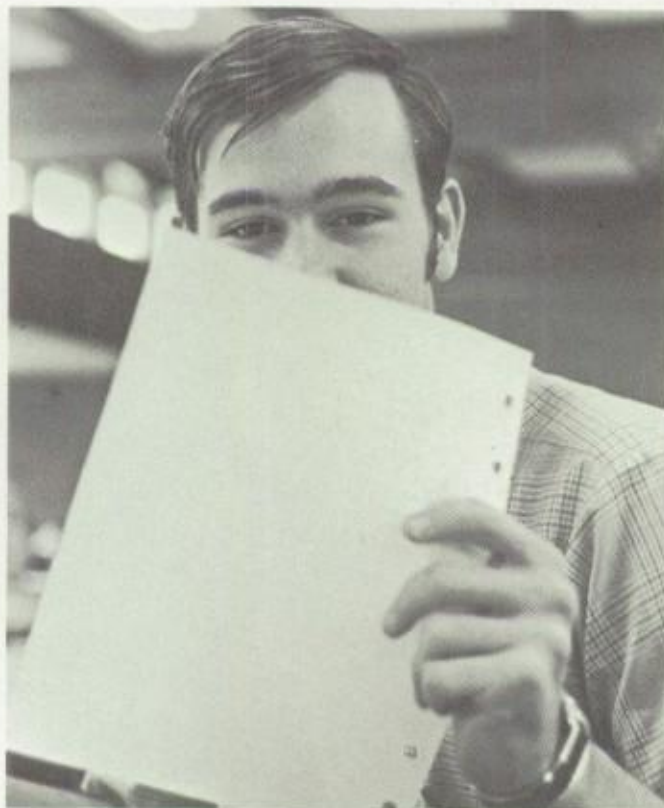

The Class of Sixty-Nine will not be a class easily forgotten. Right from the beginning the class made its position known. A sign, shortly displayed in the cafeteria, read, "The Class of '69 Gives a Damn". The class made this unique spirit obvious throughout the year.

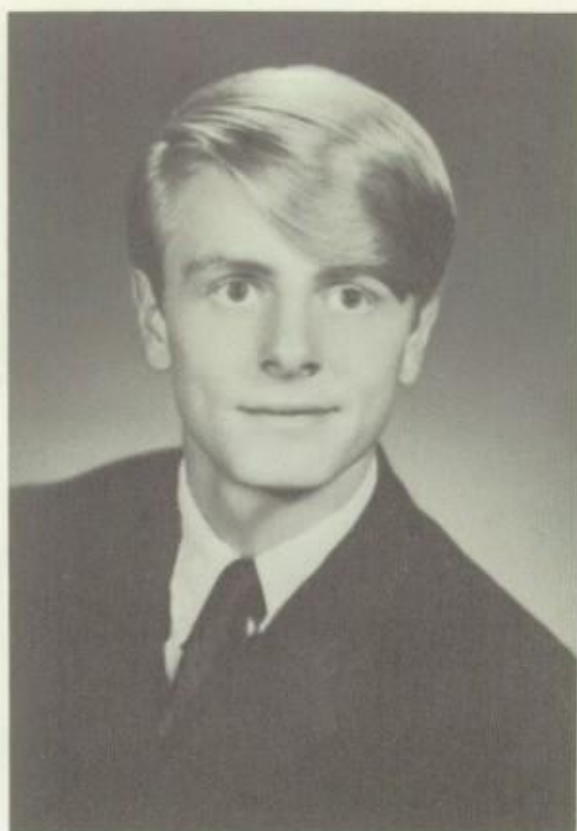

The evidence was first shown at Homecoming with the unusually large first place float "Indian Reservation". Senior selling broke records at both football and basketball games. Senior athletic power helped give Dearborn High a proud reputation in sports.

A Senior underground paper appeared voicing student opinions and concerns. Seniors led the way in many Student Council programs such as curriculum study, dress code revisions, racial club and citywide clean-up. The class was also the first class to take a Senior trip in the winter and still plan one for the summer. The end of the year was highlighted by the equally unforgettable Senior Prom and Party.

CLAUSSMENSEN

“A SMILE costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich or mighty that he can get along without it, and none is so poor but that he can be made rich by it. A smile creates happiness in the home, fosters good will in the business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and it is nature’s best antidote for trouble. Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to any one until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.”

Clubs are a very important part of every school. Each member of every club has a particular role in supporting his school and its good name. Club membership teaches a person how to work constructively with others. With over forty clubs to choose from at Dearborn High, a person may express himself in any field of interest. It may be athletic, scholastic, school spirit, or just plain fun. Clubs formed around these ideas and many others contribute in some way to building the foundation which supports the school and benefits its members. At all times one can see the clubs doing their part to entertain, inform, or provide service to the school and community.

Students in the Spanish Club share in activities to make practical use of their studies of the Spanish language and the cultures of Spanish-speaking people in Spain and throughout Latin America.

German Club was on the move again this year. To fill their spare time members sold Advent calendars, went on a sleigh ride, and ate dinner at a German restaurant.

To join Varsity Club, a boy must first participate in some sport and earn a varsity letter. Then he must maintain a C average and undergo the traditional initiation including a week during which the initiates are "dubs" to the older members or "masters". The purpose of this club is to promote good sportsmanship throughout the school and create an interest in sporting events.

In a brilliant change of pace, the Thespians went from the French comedy, "Thieves' Carnival," to a more serious production of "The Miracle Worker". They also performed several benefit shows. On a whole, the Thespians enjoyed a great year.

The newly formed Chess Club consists of 20 members, who actively take part in tournaments and matches organized by the club. The Chess Club is also a learning situation where members learn chess notation, rules, and strategy. The club carries on tournaments with other schools.

The year of the class of sixty-nine was extremely busy. It started off in the fall with a beautiful homecoming and a winning football team. The Student Council was also very busy this year with a new attitude and fresh ideas. Some of the major programs were the formation of a student appeals board, forming of the racial club, new curriculum study, and constructing a modern dress code.

The orchestra was not to be out done by any other activity. In state competition they took first place.

Forensics and debate continued to uphold the reputation that Dearborn has for being a school of powerful speakers.

The Thespians produced two three act plays and several Charlie Brown skits. Whenever the Thespians performed, this year, they acted before a capacity crowd and standing ovations were not uncommon.

D.E.C.A. also went through the year receiving honors for their outstanding work. In state competition, they took fourteen out of a possible eighteen first place trophies.

There was no such thing as an idle group at Dearborn High this year. Every activity went on making this school a little bit greater than it was before.

SPORTSITY

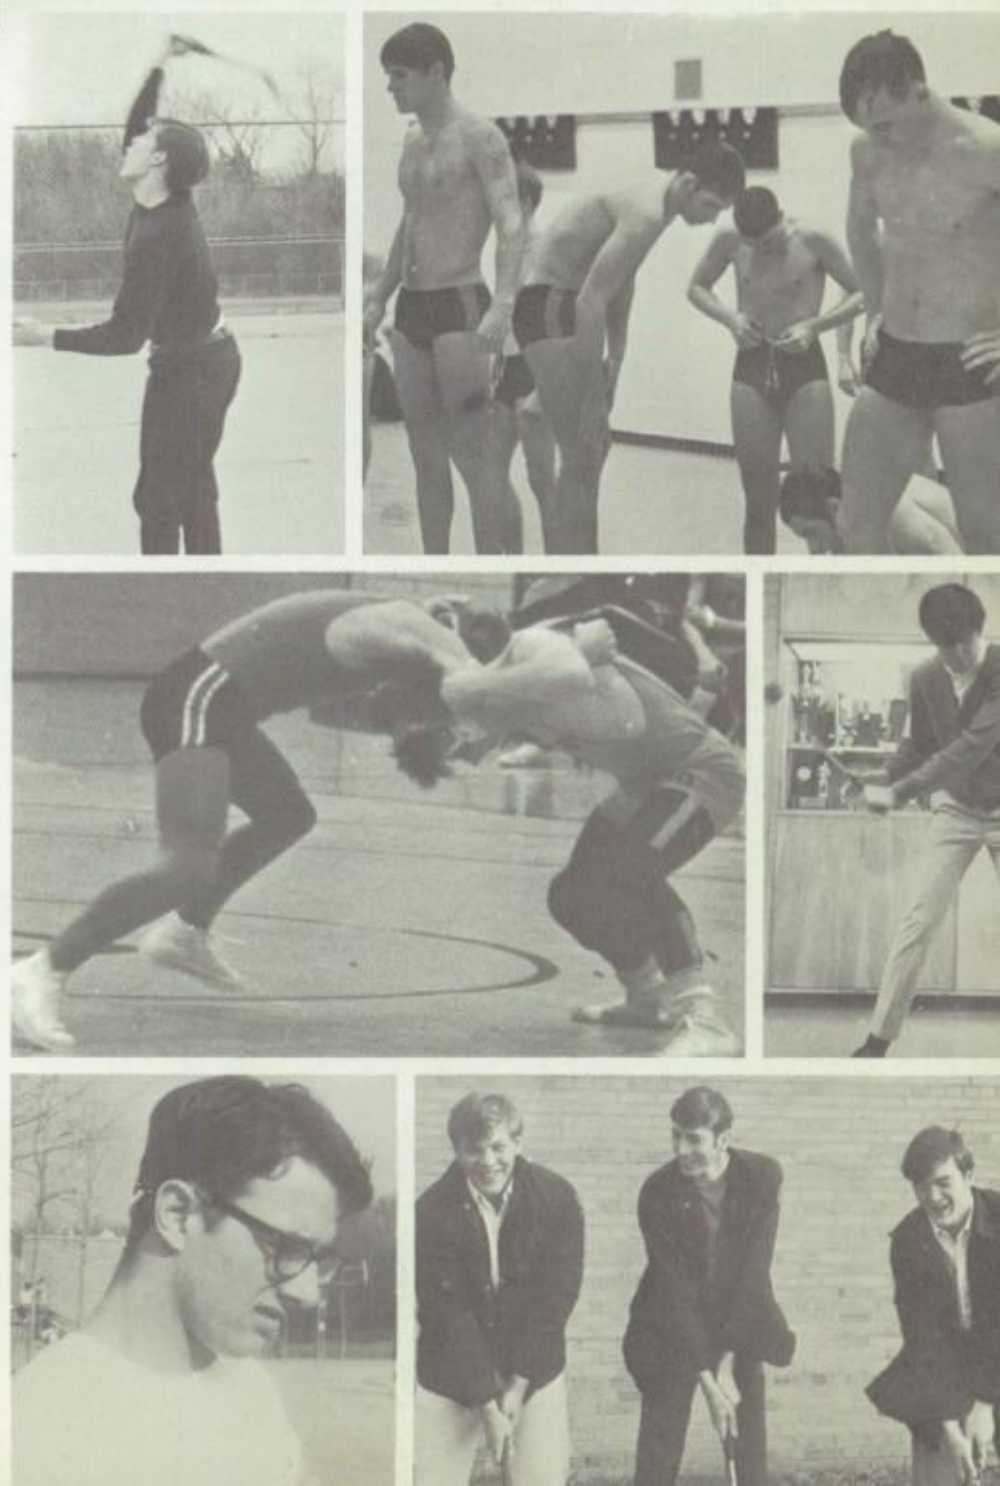

No other school activity takes the spotlight more than the 10 varsity sports. The excellent coaching staff of Dearborn High turned out another top contender for the All Sports Trophy.

Starting in the fall, Dearborn's football team overcame Edsel in a tough game and won the League Championship. While the football team was winning, the tireless cross-country team posted a perfect 10-0 record and captured the title. The winter sports came next and Dearborn's title prowess continued. The Swim team captured the Sauk Trail Championship in a thrilling league meet victory. The Basketball team won the Christmas Tournament while our wrestling team was creating havoc in league competition. The moral support for the athletic teams, our cheerleaders, were first runner up in the state championship.

With an excellent crop of returning lettermen, the spring sports should reign supreme over their competition and bring the All Sports Trophy to DHS once again.

The 1968 football team was one of the best ever to come out of Dearborn. The Pioneers were undefeated in League play and ended the season with a 6-2 Won—Lost record. After 13 years of frustration and wait, the Pioneers finally beat arch-rival Edsel 7-6, regaining for DHS the golden football. The team won the Sauk Trail Championship and climaxed the season with a win over Fordson which proclaimed Dearborn as City Champs, a title well deserved.

The Dearborn High basketball team had something going for it this season. It's called determination, guts, and the will to stay in there fighting when all seems lost. Although the Pioneers didn't fare too well in league competition, they did win the Christmas basketball tournament and brought home a trophy for the DHS showcase. With outstanding returning lettermen and an eager group of JV's moving up, DHS will once again become a basketball power.

"Old Reliable," that's what Dearborn High is calling its swim team these days. The swim team came through again by winning the league crown for the third year in a row. Entering the league meet Dearborn and Edsel were tied for first place. The winner of the league meet would be the Sauk Trail Champion. When the meet was over Johnson Power had reigned supreme over the supposedly undefeatable Zinn Power. Outstanding performances by Eric Meyer, Larry Bryk, and Dean Breest were determining factors in the final Pioneer Victory.

Each day, emerging from a cocoon of sweat woven in the wrestling room, come the grisley gutty guys of the wrestling team. Mr. Lanzi, with the aid of Mr. Harris and Mr. Bridges, sends the wrestlers through one of the toughest practices of the DHS Athletes. CHEERLEADERS

The spectators of this year's football, basketball, and swimming events were treated to a show by one of the prettiest and most talented cheerleading squads in the state. Although they placed second in state competition the cheerleaders all rate number one with the students of Dearborn High. Some of the girls, in an attempt to break the silence, broke a bone or sprained a joint. This is proof of the fantastic challenges in cheerleading which our girls make look so easy.

INTRAMURALS

Intramurals attracts more participation than any other school activity. The sports include football, basketball and baseball for the boys. Field hockey, archery, and tennis for the girls are in the fall. The winter months bring volleyball, table tennis and basketball. In the spring, the girls play badminton and softball. GAA organizes and supervises most of the girls' intramural activity. Throughout the year, intramurals keep students busy and playing.

FIELD HOCKEY

Unusually fair weather prevailed during this year's field hockey season. Eighteen teams played in two divisions with a final championship game played between the two first place teams. Most teams played five games, though some played four. In the play-off game, the junior team barely beat the seniors 2-1, scoring their second goal in the last 30 seconds.

BADMINTON

Having both singles and doubles competition, the tables were always busy during December. Kathy Ryan, a sophomore, won the singles' championship. Loretta (Piglet) Kruckemeyer and Vicki (Pooh) Grose captured the doubles' title.

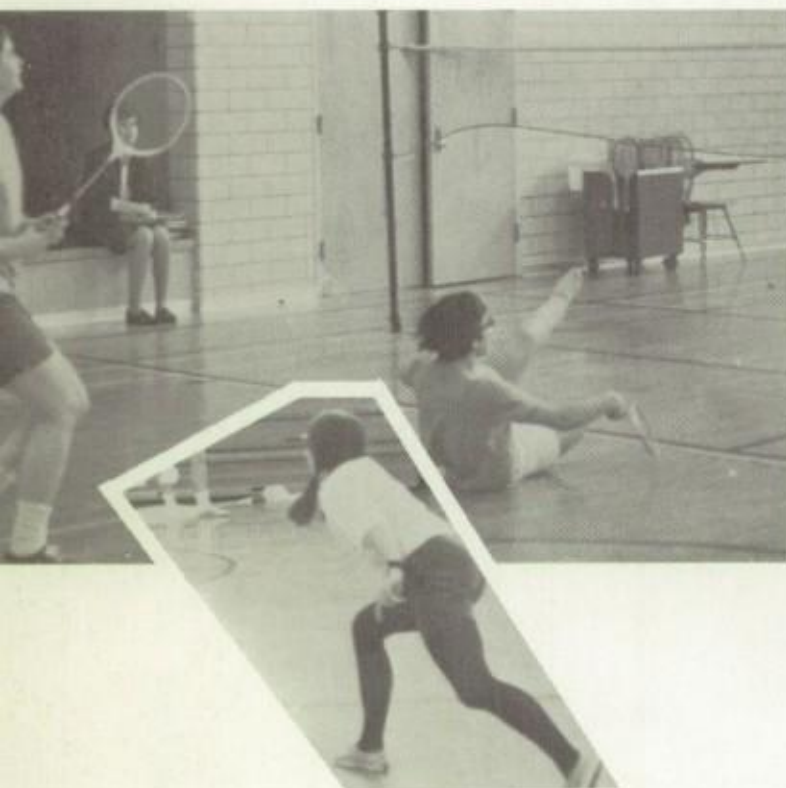

TABLE TENNIS

The badminton singles and doubles tournaments were held in late March and early April. The championships of both singles and doubles had not yet been determined. Seniors, juniors, and sophomores participated in the competition. All showed enthusiasm, strategy, and skill

Kathy Ryan, singles' champ.

BASKETBALL

The basketball tournament was played in January and February. Scoring was high and the girls played good games, yet slightly short of the Harlem Globetrotters (even though Post, Kruckemeyer and Grose tried that routine during one game). The competition was fierce, ending in a play-off between a senior team and a junior team. The game was hard-fought, but the juniors eventually beat the seniors.

The Girls' Athletic Association is the backbone of the girls' intramural program. GAA provides extra activities for girls who are interested in sports. Playnights and sports days are the favorite functions. When a girl earns 350 points, she receives her numerals, and when she earns 700 points, she receives a D for her sweater. The Officials Club is especially concerned with providing officials and tournament managers for all the sports. Synchronettes work all year on their May show, "Splashback in H2istOry" under Miss Hoover's direction.

Heather,

I could write a book about
the fun we've had together. Now
that you know Dennis No. 1 as well
as I do you'll have to meet him.
Never forget the "good times" we've
had in Mr. Ryan's class. Take good
care of yourself and say Hi to
your "Hippie" Dave for me.

Good Luck!!

Fay
"K.O."

We've had a
wonderful
junior year
together. We
started out
with good
old Mr. Otis
then to end
up with
Mr. Ryan.
I hope our
senior is
twice as much
fun. RMA "70"
Gordain
